Once a Trickster, Always a Trickster

Harley Quinn can't stay still. Even her pictures are on the move! See what's shifted from one picture to the next. There are eight changes.

Harley's glove ruffle has doubled, her mask grew thicker, she has a toothier smile, one of the diamonds on her arm has been redecorated, her glove has lightened up, there is an extra diamond on her leg, one shoe now has a pompon, and the other shoe curls up.

BATSUIT

Batman wouldn't be Batman without his Batsuit. The suit's main purpose is to hide Bruce Wayne's identity while striking terror in the hearts of criminals. The suit also helps Batman hide in the shadows as he prowls through the night. Batman's Utility Belt holds his many crime-fighting tools, including Batarangs, a grapnel, binoculars, and remote controls for his vehicles.
